Dear leaseweb,

It is my pleasure to apply to Scrum Master job with leaseweb.

In Jan 2016 I completed my Master study in information technology, I concerned during my studies in the courses related to information systems and product management, my master thesis was about migration the e-Government applications to the cloud and Saas, focusing on the team work improvement and agile development.

Regarding my work experience, I worked since August 2008 as a web developer in the Palestinian e-Government, promoted to be a team leader in Jan 2011, and promoted to be the manager of web and mobile applications department since Jul 2013 to April 2018. Finally, I am working now as a team leader for web development team and mobile development team in Newsolutions company (<http://newsolutions.ps/>).

Regarding my ability to meet the specific requirements of this job:

- **Intellectual horsepower:** I will, and I can, and I don't give up.
- **Passion for learning:** I have the ability to adopt in any environment and fast learning for new technologies.
- **Collaborative:** I always try to be a team member even when I am a leader, I work some team tasks by my self to guarantee the project progress.
- **Growth mindset:** I believe that the success of the company I work with is a success for me and my team.
- **Strong communicator:** I always start my first team meeting by convince the team to embrace the project idea.
- **leaseweb environment:** is my dream working environment, where inspiring team members and a friendly atmosphere and the space to pursue ideas.

I believe I possess the necessary skills and experience you are seeking and would make a valuable addition to your developing team.

I understand that you will receive a large number of applications for this role. I do, however, believe that my motivation, commitment and pre-existing skills will allow me to fit into your work environment and I hope my geographic location will not affect your decision.

Sincerely,
